

# Yellow Radio Ed Moment for 28Dec2017

JohnB/SusanH Zone 2

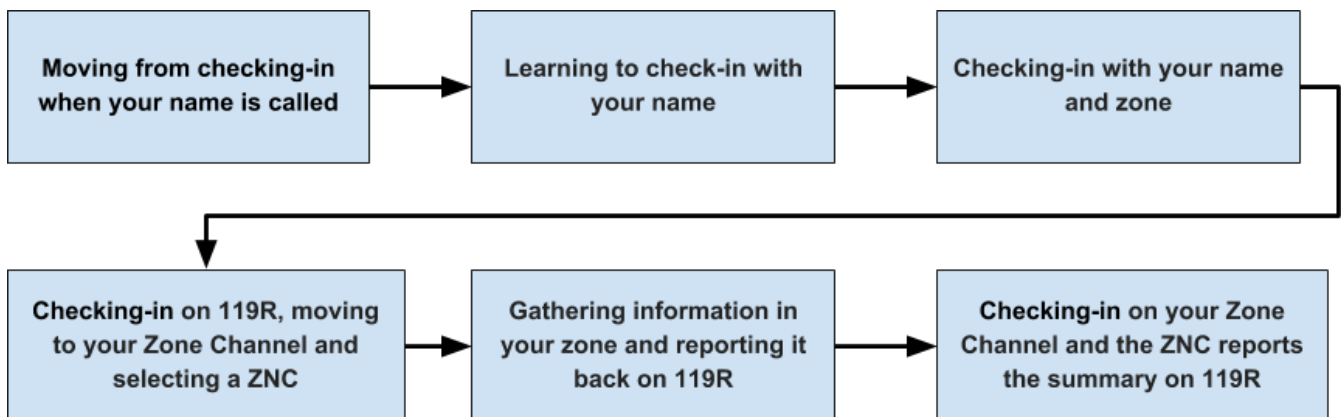

## Looking Back on 2017

What a fabulous year! From a numbers perspective, check-ins grew, grew and grew from roughly 20 per week to now consistently over 80 per week (with a peak of 122 on 10/19). And there have been 226 unique (aren't we all unique?) people who have checked-in.

### Yellow Radio Net Check-ins

Looking back at all the things that we added to our skill set that will be so important in a real emergency!

Learning what to do when you're told that your transmission is scratchy.

Introduced Zone Champions.

And now in 2018, we'll start with a Yellow Radio Reprogramming!
